ILP EVENING OF THE ARTS: In Retrospect

ILP's first ever Evening of the Arts was a smashing success! Youth who participated had great things to say as well as social workers and staff who attended. The dinner and Evening of Entertainment was attended by 80 guests who voted on artwork, and listened and watched live performances by our own ILP Youth. DVD's of the event will be made available soon! A special Thank you to all youth and staff who helped make the event a success!

Day at the Capital

ILP will be taking interested youth on a trip to Day at the Capital January 30 2011. This event is one of CYC's biggest events of the year. It is an opportunity to see how you can make a difference in yours and other foster youth's lives! There will be a Rally on the steps of the Capital in which legislature and other political staff will attend and discuss issues in Foster Care. If you wish to attend please RSVP early as we need a count of how many want to go. RSVP to: Jenn @ 365-9260 x 120.

Or call your ILP caseworker for more info!

Shasta County ILP would like to thank all our youth for the great year! We have had a great time helping you set goals and watch you attain them! Your dedication to ILP makes it as successful as it is. We are proud of the successes and will continue to help in the times of trouble. During the holiday season we are thankful for each one of you. Thank you for allowing us to be a part of your lives!
